About Assurant Health

Assurant Health has been in business since 1892 and is the brand name for products underwritten and issued by Time Insurance Company, John Alden Life Insurance Company and Union Security Insurance Company. Together, these three underwriting companies provide health insurance coverage for almost one million people nationwide. Each underwriting company is financially responsible for its own insurance products. Primary products include individual medical, small group, short-term and student health insurance products, consumer choice products such as Health Savings Accounts and Health Reimbursement Arrangements, as well as non-insurance products. With almost 3,000 employees, Assurant Health is headquartered in Milwaukee, Wis., and has operations offices in Minnesota, Idaho and Florida, as well as sales offices across the country. The Assurant Health Web site is www.assuranthealth.com.

Assurant Health is part of Assurant, a premier provider of specialized insurance products and related services in North America and selected international markets. Its four key businesses – Assurant Employee Benefits, Assurant Health, Assurant Solutions and Assurant Specialty Property – have partnered with clients who are leaders in their industries and have built leadership positions in a number of specialty insurance market segments worldwide.

Assurant, a Fortune 500 company, is traded on the New York Stock Exchange under the symbol AIZ. Assurant has more than \$20 billion in assets and \$7 billion in annual revenue. The Assurant Web site is www.assurant.com.

Assurant Health Transplant Programs

*Convenient Access,
Quality Care*

With Assurant Health, you have access to transplant programs throughout the United States.

To initiate the transplant authorization process, the patient or physician must contact our Customer Services Department. A transplant benefit coordinator will work closely with the transplant facility and the patient and family to further identify and coordinate appropriate resources.

Participating Transplant Programs

This pamphlet may not contain a complete listing of participating transplant centers. Ask your transplant benefit coordinator for the most current information on transplant programs.
